Our website uses, in particular, tools from companies based in the USA. When these tools are active, your personal information may be transferred to the US servers of these companies. We must point out that the USA is not a safe third country within the meaning of EU data protection law. US companies are required to release personal data to security authorities without you as the data subject being able to take legal action against this. The possibility cannot therefore be excluded that US authorities (e.g. secret services) may process, evaluate and permanently store your data on US servers for monitoring purposes. We have no influence over these processing activities.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6 SECT. 1 LIT. E OR F GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21 SECT. 1 GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21 SECT. 2 GDPR).

Right to data portability

You have the right to demand that we hand over any data we automatically process on the basis of your

SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this/these website/s use/s either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

If you are under an obligation to share your payment information (e.g. account number if you give us the authority to debit your bank account) with us after you have entered into a feebased contract with us, this information is required to process payments.

Payment transactions using common modes of paying (Visa/MasterCard, debit to your bank account) are processed exclusively via encrypted SSL or TLS connections. You can recognize an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitle-

ments, you have the right to demand the restriction of the processing of your personal data instead of its eradication.

- If you have raised an objection pursuant to Art. 21 Sect. 1 GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

Cookies

Our websites and pages use what the industry refers to as “cookies.” Cookies are small text files that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit.

Permanent cookies remain archived on your device until you actively delete them or they are automatically eradicated by your web browser.

In some cases it is possible that third party cookies are stored on your device once you enter our site (third party cookies). These cookies enable you or us to take advantage of certain services offered by the third party (e.g. cookies for the processing of payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of the cookies (e.g. the shopping cart function or the display of videos). The purpose of other cookies may be the analysis of user patterns or the display of promotional messages.

Cookies, which are required for the performance of electronic communication transactions (required cookies) or for the provision of certain functions you want to use (functional cookies, e.g. for the shopping cart function) or those that are necessary for the optimization of the website (e.g. cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6 Sect. 1 lit. f GDPR, unless a different legal basis is cited. You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of

cookies in certain cases or in general or activate the delete function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this/these website/s may be limited.

In the event that third party cookies are used or if cookies are used for analytical purposes, we will separately notify you in conjunction with this Data Protection Policy and, if applicable, ask for your consent.

7. Newsletter and postal advertising

Newsletter data

If you would like to subscribe to the newsletter offered on this website, we will need from you an e-mail address as well as information that allow us to verify that you are the owner of the email address provided and consent to the receipt of the newsletter. No further data shall be collected or shall be collected only on a voluntary basis. We shall use such data only for the sending of the requested information and shall not share such data with any third parties.

The processing of the information entered into the newsletter subscription form shall occur exclusively on the basis of your consent (Art. 6 Sect. 1 lit. a GDPR). You may revoke the consent you have given to the archiving of data, the e-mail address and the use of this information for the sending of the newsletter at any time, for instance by clicking on the "Unsubscribe" link in the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place to date.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter or after the purpose has ceased to apply. We reserve the right to delete or block e-mail addresses from our newsletter distribution list at our own discretion within the scope of our legitimate interest in accordance with Art. 6(1)(f) GDPR.

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6 para. 1 lit. f GDPR). The storage in the blacklist is indefinite. **You may object to the storage if your interests outweigh our legitimate interest.**

CleverReach

This website uses CleverReach for the sending of newsletters. The provider is the CleverReach GmbH & Co. KG, Schafjückenweg 2, 26180 Rastede, Germany. CleverReach is a service that can be used to organize and analyze the sending of newsletters. The data you have entered for the purpose of subscribing to our newsletter (e.g. e-mail address) are stored on servers of CleverReach in Germany or in Ireland.

Newsletters we send out via CleverReach allow us to analyze the user patterns of our newsletter recipients. Among other things, in conjunction with this, it is possible how many recipients actually opened the newsletter e-mail and how often which link inside the newsletter has been clicked. With the assistance of a tool called Conversion Tracking, we can also determine whether an action that has been predefined in the newsletter actually occurred after the link was clicked (e.g. purchase of a product on this/these website/s). For more information on the data analysis services by CleverReach newsletters, please go to:

<https://www.cleverreach.com/en/features/reporting-tracking/>.

The data is processed based on your consent (Art. 6 Sect. 1 lit. a GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

If you do not want to permit an analysis by CleverReach, you must unsubscribe from the newsletter. We provide a link for you to do this in every newsletter message.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter. Data stored for other purposes with us remain unaffected.

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6 para. 1 lit. f GDPR). **The storage in the blacklist is indefinite. You may object to the storage if your interests outweigh our legitimate interest.**

We have entered into a contract data processing agreement with the provider of CleverReach and implement the strict provisions of the German data protection agencies to the fullest when using CleverReach.

Postal advertising

We use your address in compliance with all legal regulations for the dispatch of postal advertising (postal advertising). The legal basis for this is our legitimate interest in direct advertising according to Art. 6(1)(1)(f) in conjunction with Recital 47 GDPR. If a corresponding consent has been requested, the processing is carried out

exclusively on the basis of Art. 6(1)(a) GDPR; the consent can be revoked at any time. More specific regulations may be communicated to you if necessary in the context of data collection and take precedence over the present regulation.

Your address will remain with us until the purpose of the data processing ceases to apply. If you assert a justified request for deletion or revoke your consent to postal advertising, your data will be deleted unless we have other legally permissible reasons for storing your personal data (e.g. tax or commercial law retention periods); in the latter case, the deletion will take place after these reasons no longer apply.

Execution of a contract data processing agreement

We have concluded a contract on order processing with the company we use to send the postal advertising, which guarantees that our contractual partner processes your personal data exclusively according to our instructions and in compliance with the GDPR.

8. Plug-ins and Tools

YouTube with expanded data protection integration

Our website embeds videos of the website YouTube. The website operator is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

We use YouTube in the expanded data protection mode. According to YouTube, this mode ensures that YouTube does not store any information about visitors to this/these website/s before they watch the video. Nevertheless, this does not necessarily mean that the sharing of data with YouTube partners can be ruled out as a result of the expanded data protection mode. For instance, regardless of whether you are watching a video, YouTube will always establish a connection with the Google DoubleClick network.

As soon as you start to play a YouTube video on this/these website/s, a connection to YouTube's servers will be established. As a result, the YouTube server will be notified, which of our pages you have visited. If you are logged into your YouTube account while you visit our site, you enable YouTube to directly allocate your browsing patterns to your personal profile. You have the option to prevent this by logging out of your YouTube account.

Furthermore, after you have started to play a video, YouTube will be able to place various cookies on your device or comparable technologies for recognition (e.g. device fingerprinting).

In this way YouTube will be able to obtain information about this website's visitors. Among other things, this information will be used to generate video statistics with the aim of improving the user friendliness of the site and to prevent attempts to commit fraud.

Under certain circumstances, additional data processing transactions may be triggered after you have started to play a YouTube video, which are beyond our control.

The use of YouTube is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6 Sect. 1 lit. f GDPR, this is a legitimate interest. If a corresponding agreement has been requested, the processing takes place exclusively on the basis of Art. 6 para. 1 lit. a GDPR; the agreement can be revoked at any time.

For more information on how YouTube handles user data, please consult the YouTube Data Privacy Policy under: <https://policies.google.com/privacy?hl=en>.

Vimeo

This website uses plug-ins of the video portal Vimeo. The provider is Vimeo Inc., 555 West 18th Street, New York, New York 10011, USA.

If you visit one of the pages on our website into which a Vimeo video has been integrated, a connection to Vimeo's servers will be established. As a consequence, the Vimeo server will receive information as to which of our pages you have visited. Moreover, Vimeo will receive your IP address. This will also happen if you are not logged into Vimeo or do not have an account with Vimeo. The information recorded by Vimeo will be transmitted to Vimeo's server in the United States.

If you are logged into your Vimeo account, you enable Vimeo to directly allocate your browsing patterns to your personal profile. You can prevent this by logging out of your Vimeo account.

Vimeo uses cookies or comparable recognition technologies (e.g. device fingerprinting) to recognize website visitors.

The use of Vimeo is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6 Sect. 1 lit. f GDPR, this is a legitimate interest. If a corresponding agreement has been requested, the processing takes place exclusively on the basis of Art. 6 para. 1 lit. a GDPR; the agreement can be revoked at any time.

Data transmission to the US is based on the Standard Contractual Clauses (SCC) of the European Commission and, according to Vimeo, on "legitimate business interests". Details can be found here:

When you visit any website, into which OpenStreetMap has been embedded, your IP address and other information concerning your behavior patterns on this/these website/s will be transferred to the OSMF. Under certain circumstances, OpenStreetMap will save cookies in your browser or uses comparable technologies for recognition.

Furthermore, your location may be recorded if you have permitted this in your device settings, for instance on your cell phone. Google reCAPTCHA

We use "Google reCAPTCHA" (hereinafter referred to as "reCAPTCHA") on this/these website/s. The provider is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

The purpose of reCAPTCHA is to determine whether data entered on this/these website/s (e.g. information entered into a contact form) is being provided by a human user or by an automated program. To determine this, reCAPTCHA analyzes the behavior of the website visitors based on a variety of parameters. This analysis is triggered automatically as soon as the website visitor enters the site. For this analysis, reCAPTCHA evaluates a variety of data (e.g. IP address, time the website visitor spent on the site or cursor movements initiated by the user).

The data tracked during such analyses are forwarded to Google.

reCAPTCHA analyses run entirely in the background. Website visitors are not alerted that an analysis is underway. Data are stored and analyzed on the basis of Art. 6 Sect. 1 lit. f GDPR.
