Information on the relevant legal basis in each individual case is provided in the following paragraphs of this privacy policy.

### **Information on data transfer to the USA and other non-EU countries**

Among other things, we use tools of companies domiciled in the United States or other from a data protection perspective non-secure non-EU countries. If these tools are active, your personal data may potentially be transferred to these non-EU countries and may be processed there. We must point out that in these countries, a data protection level that is comparable to that in the EU cannot be guaranteed. For instance, U.S. enterprises are under a mandate to release personal data to the security agencies and you as the data subject do not have any litigation options to defend yourself in court. Hence, it cannot be ruled out that U.S. agencies (e.g., the Secret Service) may process, analyze, and permanently archive your personal data for surveillance purposes. We have no control over these processing activities.

### **Revocation of your consent to the processing of data**

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

### **Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)**

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6 SECT. 1 LIT. E OR F GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21 SECT. 1 GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH

DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21 SECT. 2 GDPR).

### **Right to log a complaint with the competent supervisory agency**

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

The responsible supervisory authority is the following:

Landesbeauftragter für den Datenschutz und die Informationsfreiheit Baden-Württemberg

Königstrasse 10 a, 70173 Stuttgart

Phone: +49 (0) 711 615541-0

Fax: +49 (0) 711 615541-15

Email: [poststelle@ldi.bwl.de](mailto:poststelle@ldi.bwl.de)

### **Right to data portability**

You have the right to demand that we hand over any data we automatically process on the basis of your consent or in order to fulfil a contract be handed over to you or a third party in a commonly used, machine readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

### **SSL and/or TLS encryption**

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this/these website/s use/s either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

### **Encrypted payment transactions on this/these website/s**

If you are under an obligation to share your payment information (e.g. account number if you give us the authority to debit your bank account) with us after you have entered into a feebased contract with us, this information is required to process payments.

Payment transactions using common modes of paying (Visa/MasterCard, debit to your bank account) are processed exclusively via encrypted SSL or TLS connections. You can recognize an encrypted connection by checking whether the address line of the browser switches from "http://" to "https://" and also by the appearance of the lock icon in the browser line.

If the communication with us is encrypted, third parties will not be able to read the payment information you share with us.

### **Information about, rectification and eradication of data**

Within the scope of the applicable statutory provisions, you have the right to at any time demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

### **Right to demand processing restrictions**

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.
- If you have raised an objection pursuant to Art. 21 Sect. 1 GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

### **Rejection of unsolicited e-mails**

We herewith object to the use of contact information published in conjunction with the mandatory information to be provided in our Site Notice to send us promotional and information material that we have not expressly requested. The operators of this website and its pages reserve the express right to take legal action in the event of the unsolicited sending of promotional information, for instance via SPAM messages.

The operator of the website has a legitimate interest in the storage of required cookies to ensure the technically error free and optimized provision of the operator's services. If your consent to the storage of the cookies and similar recognition technologies has been requested, processing occurs exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR and § 25 (1) TTDSG); this consent may be revoked at any time. You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete function for the automatic eradication of cookies when the browser closes. We use the LinkedIn Insight tag to obtain information about visitors to our website. Once a website visitor is registered with LinkedIn, we can analyze the key occupational data (e.g., career level, company size, country, location, industry, job title) of our website visitors to help us better target our site to the relevant audience. We can also use LinkedIn Insight tags to measure whether visitors to our websites make a purchase or perform other actions (conversion measurement). Conversion measurement can also be carried out across devices (e.g. from PC to tablet). LinkedIn Insight Tag also features a retargeting function that allows us to display targeted advertising to visitors to our website outside of the website. According to LinkedIn, no identification of the advertising addressee takes place.

LinkedIn itself also collects log files (URL, referrer URL, IP address, device and browser characteristics and time of access). The IP addresses are shortened or (if they are used to reach LinkedIn members across devices) hashed (pseudonymized). The direct identifiers of LinkedIn members are deleted by LinkedIn after seven days. The remaining pseudonymized data will then be deleted within 180 days.

The data collected by LinkedIn cannot be assigned by us as a website operator to specific individuals. LinkedIn will store the personal data collected from website visitors on its servers in the USA and use it for its own promotional activities. Newsletters we send out via Microsoft Dynamics allow us to analyze the user patterns of our newsletter recipients. Among other things, in conjunction with this, it is possible how many recipients actually opened the newsletter e-mail and how often which link inside the newsletter has been clicked. With the assistance of a tool called Conversion Tracking, we can also determine whether an action that has been predefined in the newsletter actually occurred after the link was clicked (e.g. purchase of a product on this website). For more information on the data analysis services by Microsoft Dynamics newsletters, please go to: <https://privacy.microsoft.com/de-de/privacystatement>.

The data is processed based on your consent (Art. 6(1)(a) GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

Data stored for other purposes with us remain unaffected. After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6(1)(f) GDPR). The storage in the blacklist is indefinite. **You may object to the storage if your interests outweigh our legitimate interest.**

The legal basis for this is our legitimate interest in direct advertising according to Art. 6(1)(1)(f) in conjunction with Recital 47 GDPR. If a corresponding consent has been requested, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR; the consent can be revoked at any time. More specific regulations may be communicated to you if necessary in the context of data collection and take precedence over the present regulation.

Your address will remain with us until the purpose of the data processing ceases to apply. If you assert a justified request for deletion or revoke your consent to postal advertising, your data will be deleted unless we have other legally permissible reasons for storing your personal data (e.g. tax or commercial law retention periods); in the latter case, the deletion will take place after these reasons no longer apply.

This will also happen if you are not logged into Vimeo or do not have an account with Vimeo. The information recorded by Vimeo will be transmitted to Vimeo's server in the United States.

If you are logged into your Vimeo account, you enable Vimeo to directly allocate your browsing patterns to your personal profile. You can prevent this by logging out of your Vimeo account.

Vimeo uses cookies or comparable recognition technologies (e.g. device fingerprinting) to recognize website visitors.

The use of Vimeo is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6(1)(f) GDPR, this is a legitimate interest. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TTDSG, insofar the consent includes the storage of cookies or the access to information in the user's end device (e.g., device fingerprinting) within the meaning of the TTDSG. ## Job Applications

We offer website visitors the opportunity to submit job applications to us (e.g. via e-mail, via postal services or by submitting the online job application form). Below, we will brief you on the scope, purpose and use of the personal data collected from you in conjunction with the application process. We assure you that the collection, processing and use of your data will occur in compliance with the applicable data privacy rights and all other statutory provisions and that your data will always be treated as strictly confidential.

### Scope and purpose of the collection of data

If you submit a job application to us, we will process any affiliated personal data (e.g., contact and communications data, application documents, notes taken during job interviews, etc.), if they are required to make a decision concerning the establishment or an employment relationship. The legal grounds for the aforementioned are § 26 New GDPR according to German Law (Negotiation of an Employment Relationship), Art. 6(1)(b) GDPR (General Contract Negotiations) and – provided you have given us your consent – Art. 6(1)(a) GDPR. You may revoke any consent given at any time. Within our company, your personal data will only be shared with individuals who are involved in the processing of your job application.

### Data Archiving Period

If we are unable to make you a job offer or you reject a job offer or withdraw your application, we reserve the right to retain the data you have submitted on the basis of our legitimate interests (Art. 6(1)(f) GDPR) for up to 6 months from the end of the application procedure (rejection or withdrawal of the application). Afterwards the data will be deleted, and the physical application documents will be destroyed. The storage serves in particular as evidence in the event of a legal dispute. If it is evident that the data will be required after the expiry of the 6-month period (e.g., due to an impending or pending legal dispute), deletion will only take place when the purpose for further storage no longer applies.

Longer storage may also take place if you have given your agreement (Article 6(1)(a) GDPR) or if statutory data retention requirements preclude the deletion.

### **Admission to the applicant pool**

If we do not make you a job offer, you may be able to join our applicant pool. In case of admission, all documents and information from the application will be transferred to the applicant pool in order to contact you in case of suitable vacancies.

Admission to the applicant pool is based exclusively on your express agreement (Art. 6(1)(a) GDPR). The submission agreement is voluntary and has no relation to the ongoing application procedure. The affected person can revoke his agreement at any time. In this case, the data from the applicant pool will be irrevocably deleted, provided there are no legal reasons for storage. The data from the applicant pool will be irrevocably deleted no later than two years after consent has been granted.
