Contact Person	E-mail
Street Address	Telephone Number
Postcode / City	

Solar-Log™ Information

Model

Serial number

Easy Code (if available)

Portal Address (up to now)

Installation Date

Installation was carried out by

Last Name	E-mail
First Name	Telephone Number

Street Address

Reason for requesting new access data / password:

Proof of ownership:

- Invoice (not sufficient by itself without the serial number)
- Photos of the Solar-Log's label (Model, Serial Number, etc.)
- Other proof:
- GDPR

By selecting the checkbox, I agree that my above-mentioned data will be transmitted to Solar-Log GmbH and only for the purpose of requesting new access data / passwords and the associated technical support. I can revoke my consent to this and future data processing at any time without incurring any disadvantages. I have given my consent voluntarily and can find further [data protection information here](#).

In the context of a portal migration, written approval is required from the present portal operator. (Please include the document.)

I hereby confirm that I am the lawful owner of the aforementioned Solar-Log™ and the aforementioned Solar-Log™ is not subject to any third-party rights. The relevant proof has been included. I hereby authorize Solar-Log GmbH to generate or to reset the required passwords/ access data for the aforementioned Solar-Log™ or to perform a portal migration for the plant.

I agree to take full responsibility for configuration changes and any effects thereof on the proper functioning of the aforementioned plant, such as power reductions from the electric utility company. I agree that this request is to be digitally archived for tracking and as proof and, if need be, may be used for legal proceedings.

Place, Date
