

CE Declaration of Conformity

Solar-Log 250, 300, 1200, 1900 and 2000

This is to certify that the designated device upholds the guidelines of the European Union, in particular in accordance with the EMV Directive 2014/35/EU and the Low Voltage Directive 2014/30/EU.

The device meets the following standards:

EMV Directive (interference immunity, emitted interference): EN 61000-6-3:2007+A1:2011

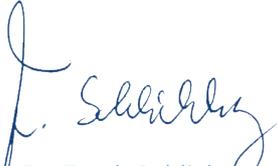

EMV interference immunity: EN 61000-6-1:2007

Device security: EN 60950-1:2006+A1:2010+A12:2011

The above-mentioned device is therefore equipped with a CE label.
